## DEDICATION

As we toil once more on the publication of the UTICANITE, we are reminded of one who was a sincere worker, untiring at every task, brimming with confidence and capability, enthusiastic and sincere in the preparation of the subjects she taught and in her assignment as Sponsor of the 1968 UTICANITE. She used her full potential to be creative and to stimulate the students with whom she came in contact. She played well the part she was to play in whatever role she assumed.

Although she is no longer on the scene of action, her qualities of **Seriousness**, **Usefulness**, **Capability**, **Courteousness**, **Elegance**, **Skillfulness**, and **Studiosness** will make her forever live in the hearts and minds of those who knew her.

We commemoratively dedicate the 1969 UTICANITE to the memory of Mrs. Grace J. Hackett whose remembrance will help us continue to climb the STAIRWAY TO SUCCESS.

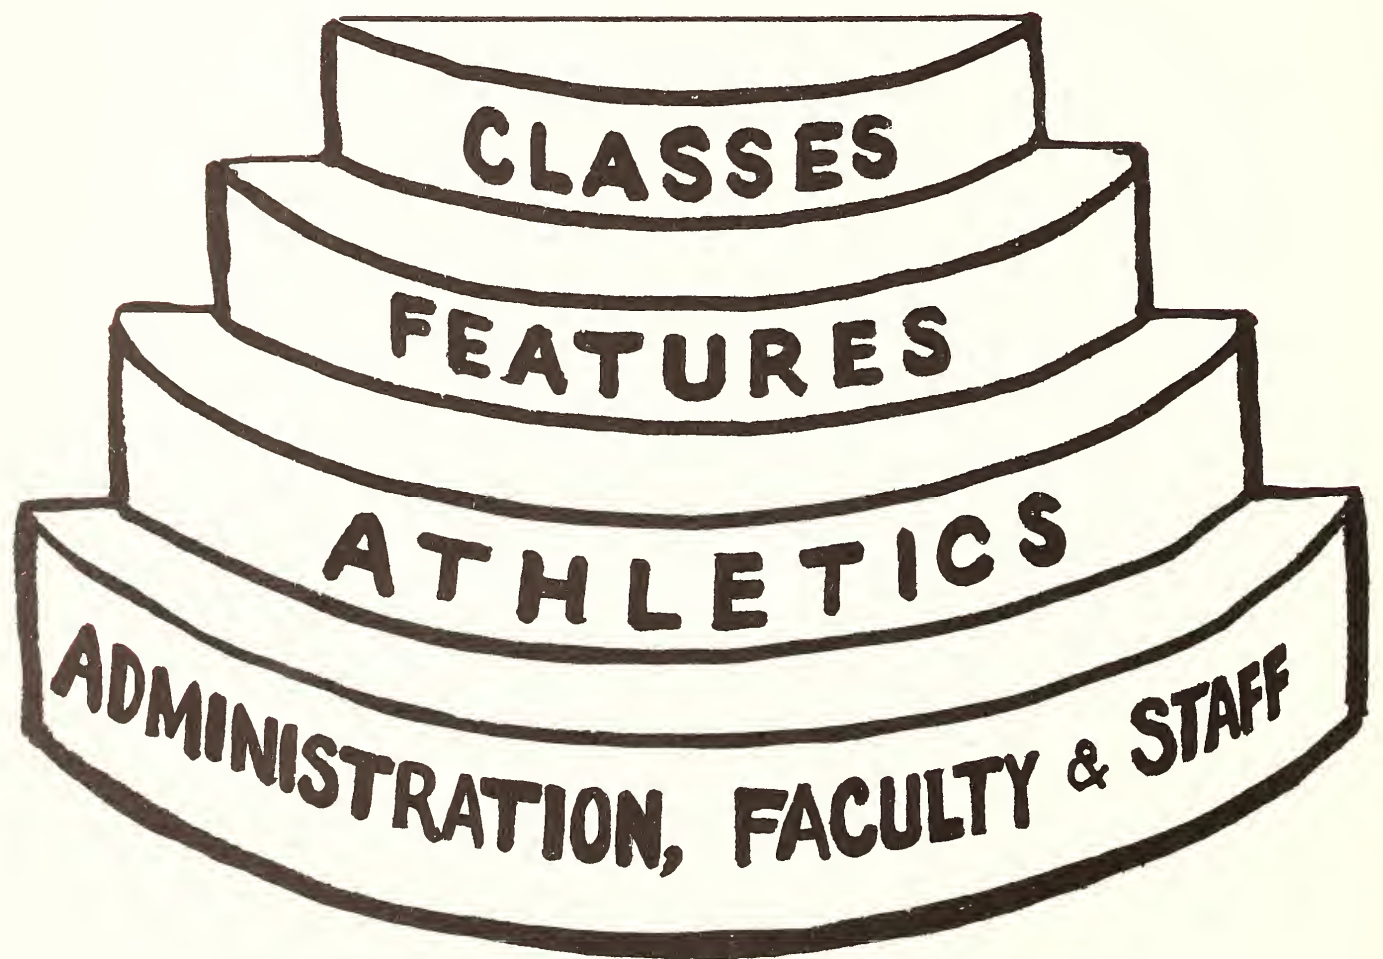

IN MEMORY OF DR. MARTIN LUTHER KING

# THE FORMIDABLE BULLDOG CAPTAIN CLARENCE SPROULLS

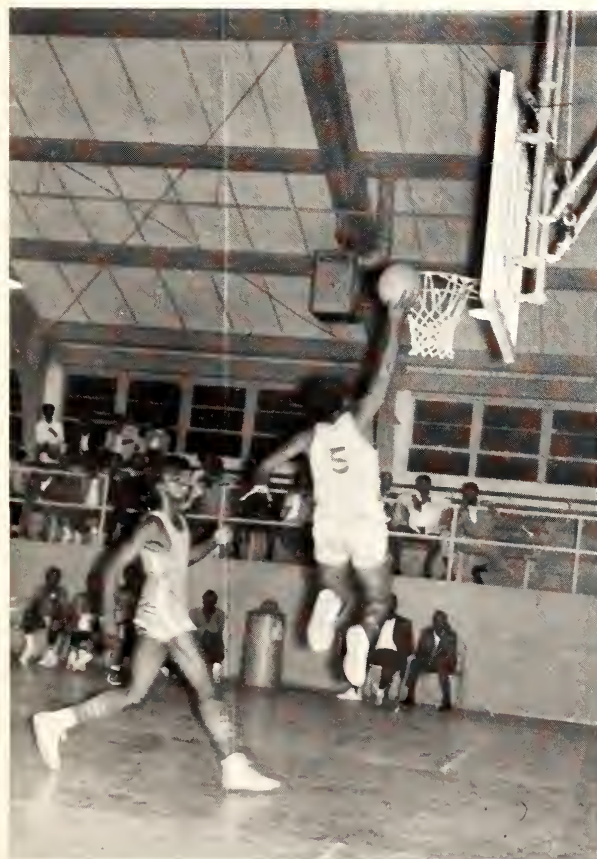

The Mighty Bullpups

Warm up

Tip in

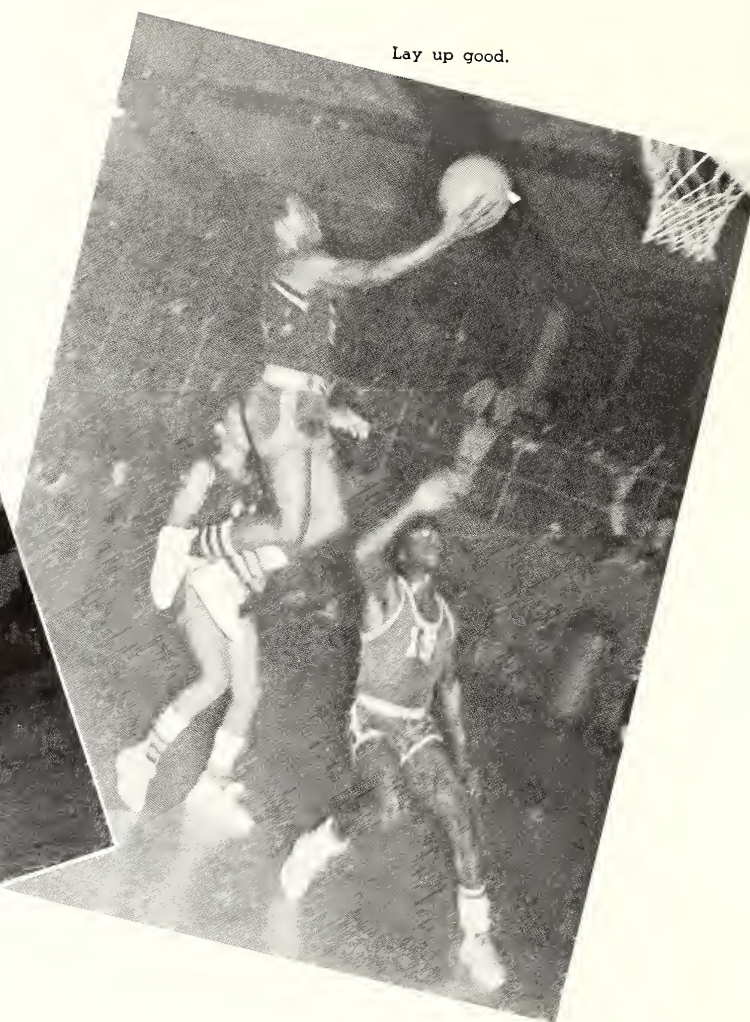

Tip off

Block that shot!!!

Lay up good.

The seniors—on to another level.

Double teamed!—yet—

Jump shot—is it good?

Two to make.

Look at that hook!

Get that ball!!!

Will it be good?

Get the rebound.

A good two.

Eyes on the ball.

THE MIGHTY BULLDOGS

The name of the game is defense.

We pause to salute our queen.

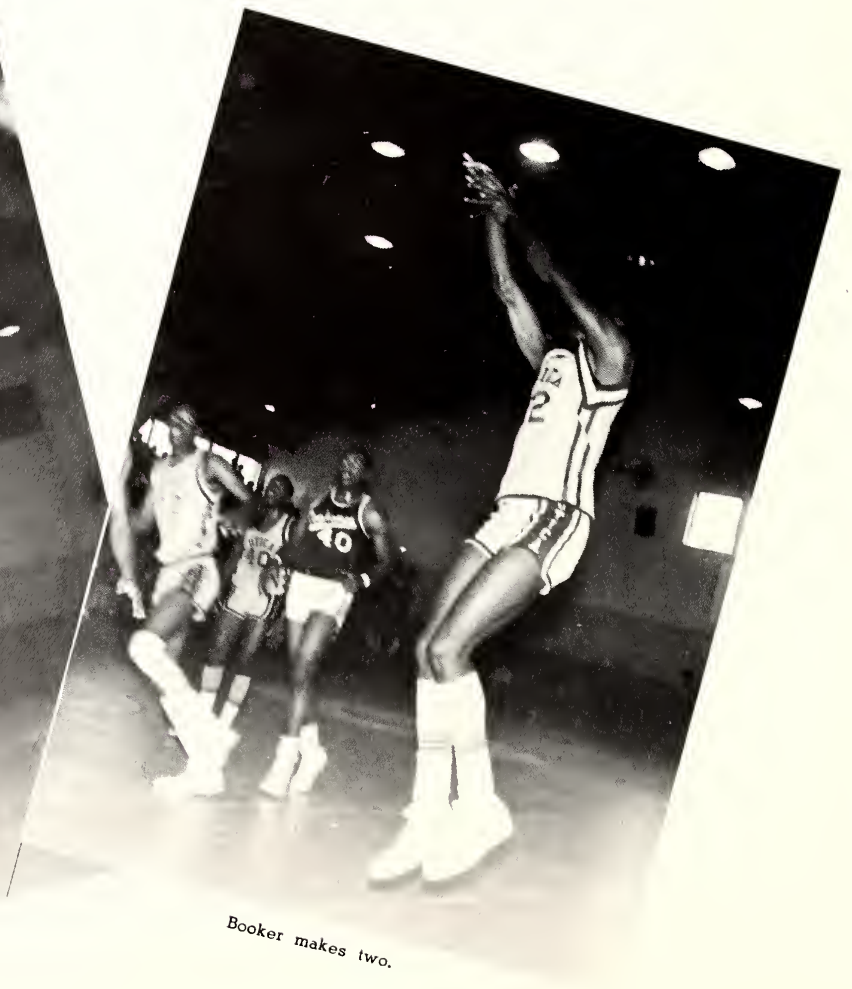

Sproulls scores against Chattanooga before a packed house.

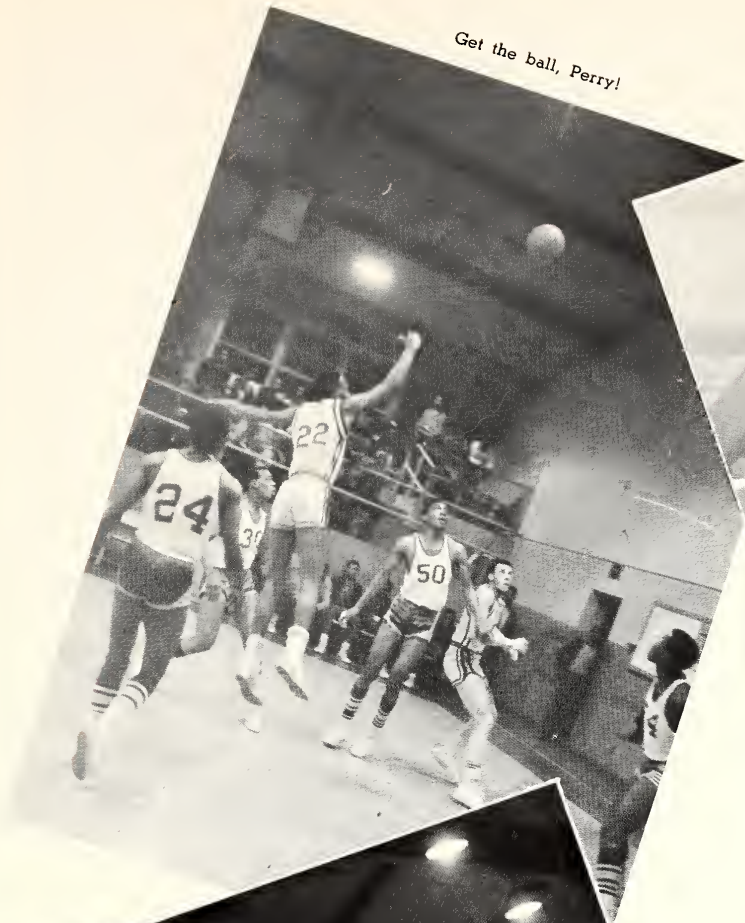

Sproulls does it again.

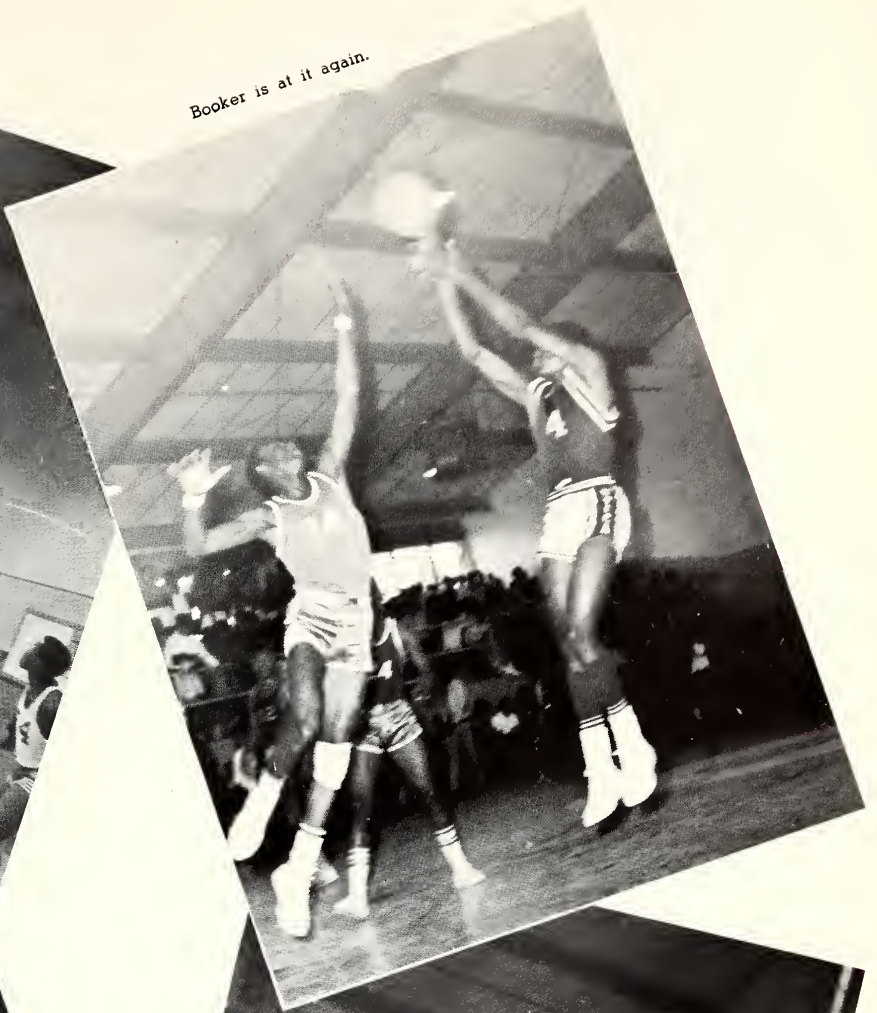

Booker makes two.

Get the ball, Perry!

Booker is at it again.

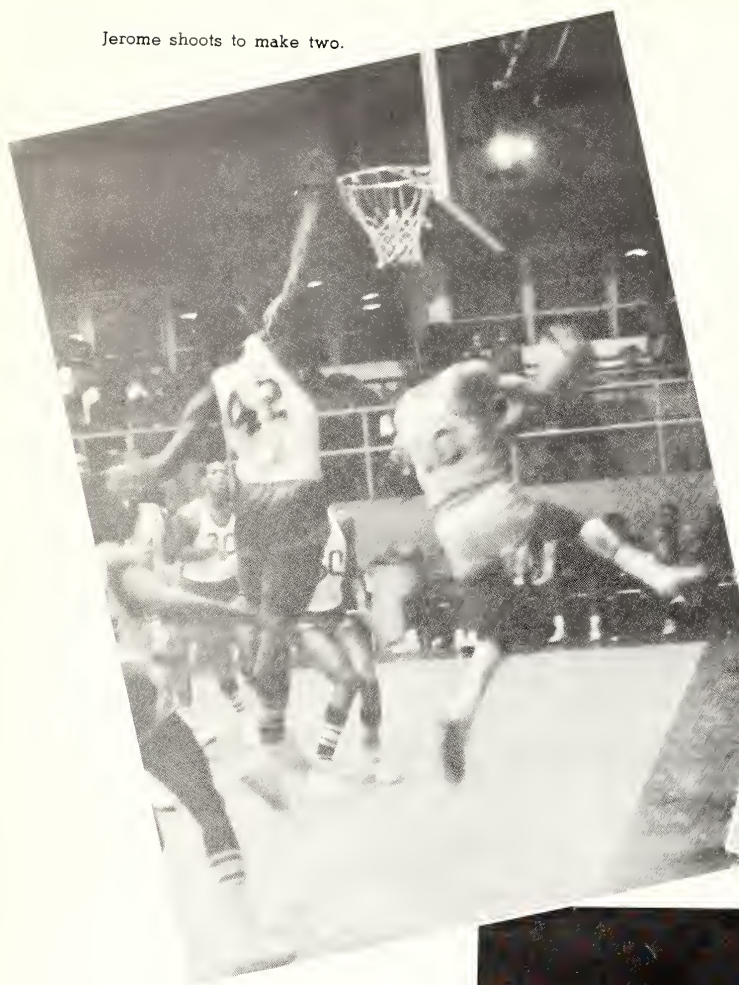

Three point play.

Up, up, and away!

Jerome shoots to make two.

A perfect lay-up.

Connors drives for two points.

Wonder will it be good. . .

Ball up—good or not.

That's hustling.

Rebound by Curry.

# THE UPWARD CLIMB

Are you sure you don't need to pay us a visit?

Let us style your wig.

Exact measurements, huh?

You bend them up, we'll fix them up.

We're the secretaries of tomorrow.

Be truthful, did you really see a molecule?

# TO SCHOLARSHIP

Art and the artists.

We study foreign languages.

Machines, machines, and more machines to operate.

A study class in Home Economics.

We keep physically fit.

Our teacher helps us in the library, too.

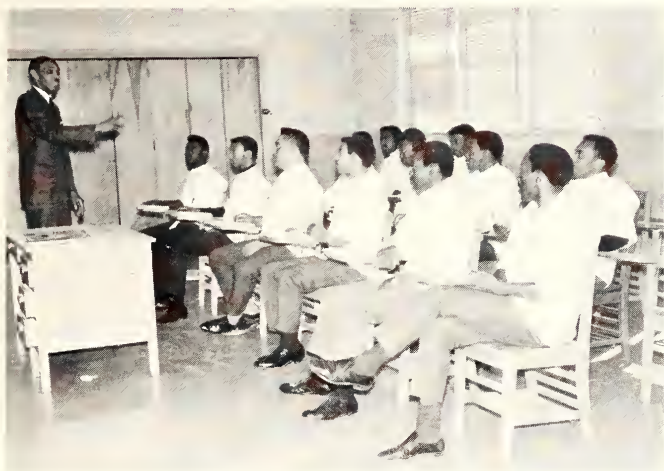

Oops, you're gonna fall.

The world of science.

Theory before practice, men.

This definitely won't be a mini!

How about this for depth concentration.

Can you measure up, girls?

# HOME AWAY

Here comes Santa

Mary had a baby.

We've come to see the King.

And his helpers.

Merry Xmas, Mr. & Mrs. Washington.

# FROM HOME

Psychedelic sounds "sock soul."

Hold me tight.

Class waits for no one.

Charlie Brown's on.

Eight ball in the side pocket.

What's trumps?

Stepping toward your goal.

"Beneath the shade".

Freedom at last.

Ah-h-h finally.

Last class for today.

"Sing a simple song".

I need help.

Here we come.

We have nothing to do.

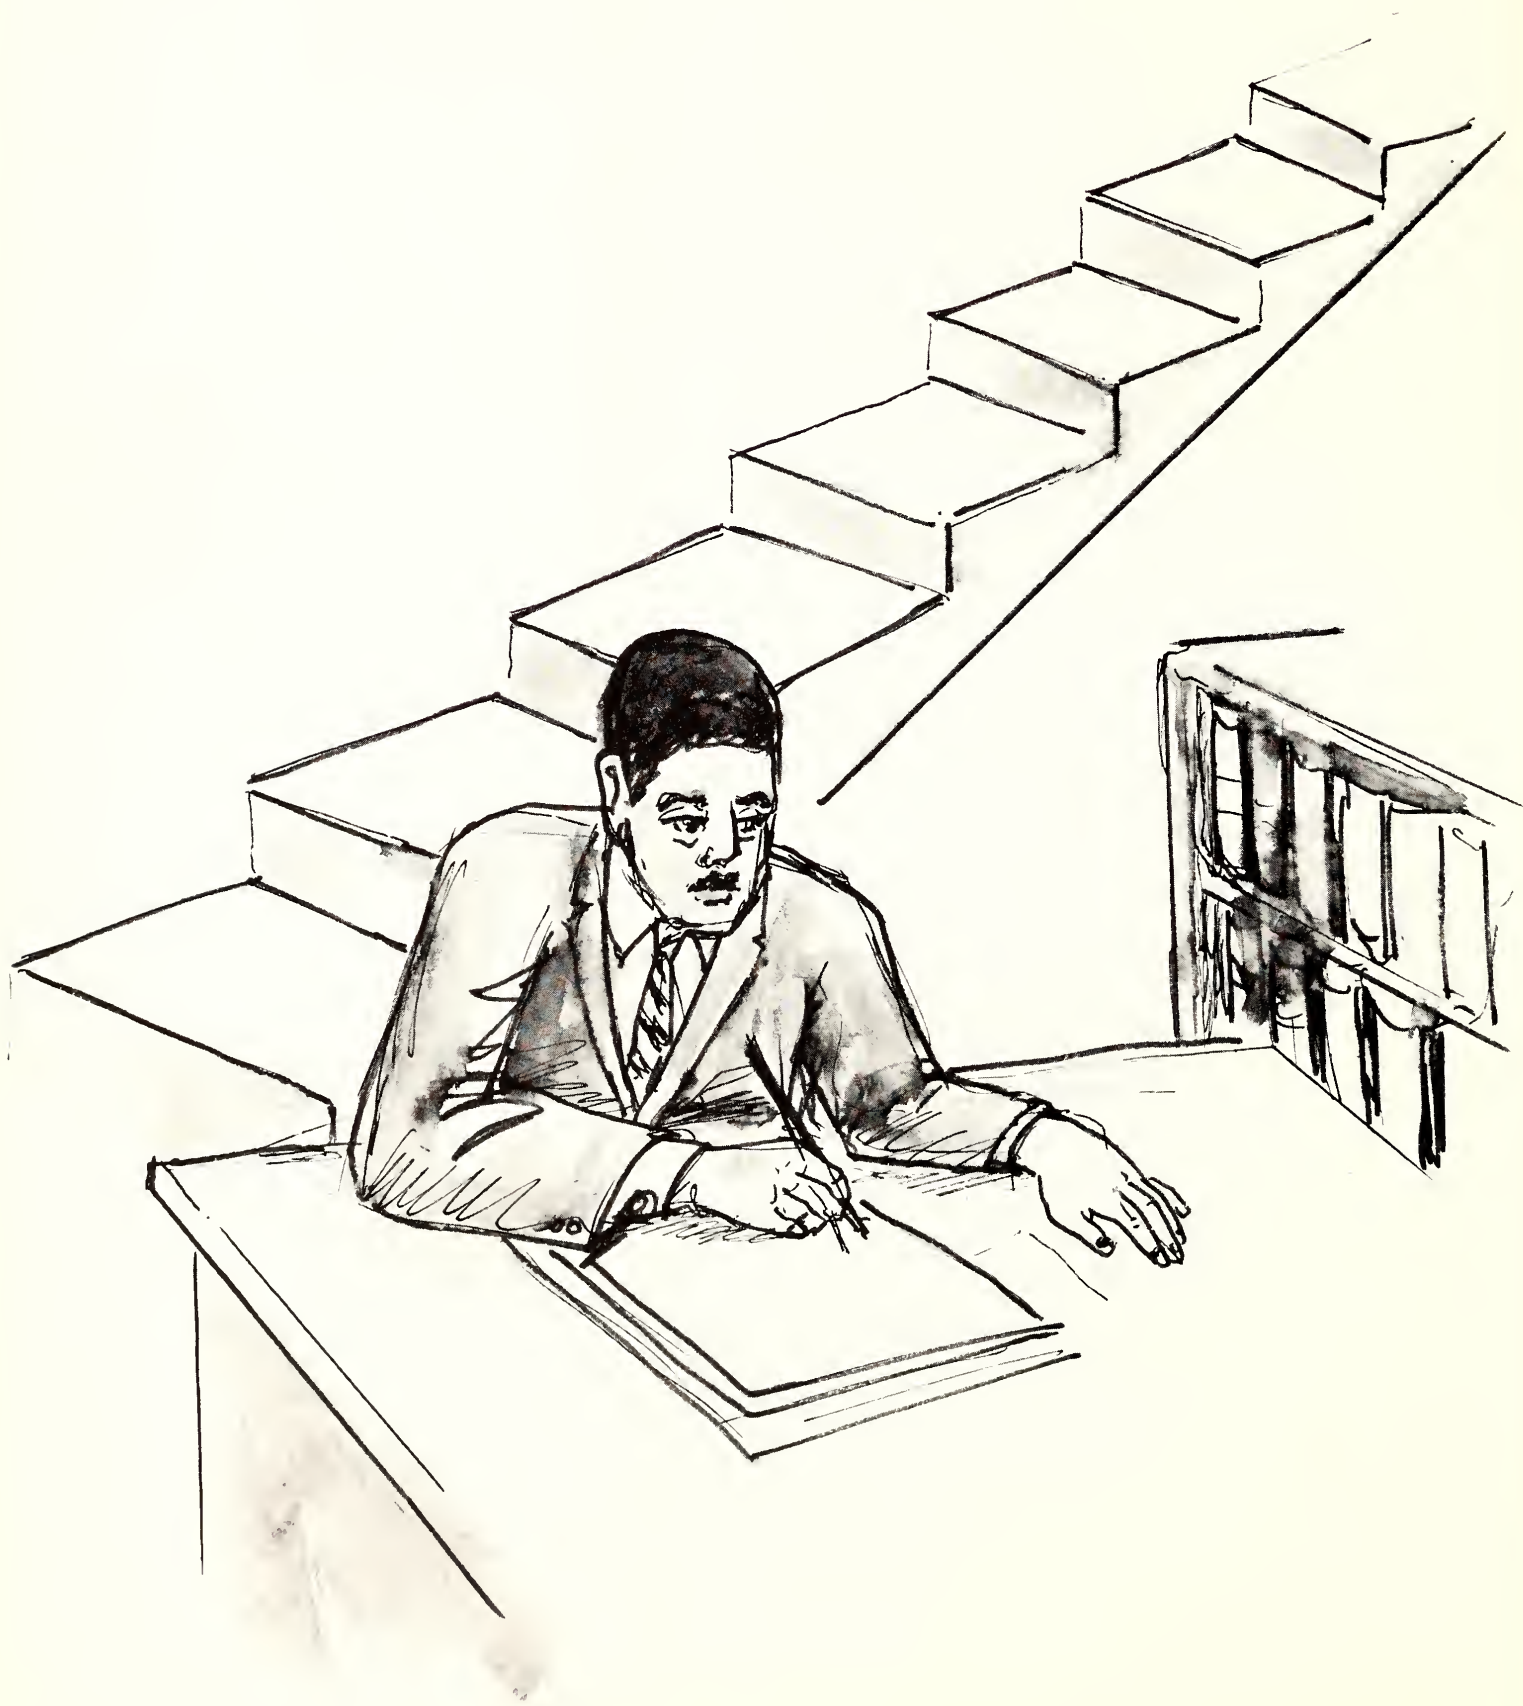

Going home is exciting.

Hey, I'm the only one left.

Students and Friends,

The Annual Staff has selected the theme, "Stairway to Success", for this year's annual.

During the past twelve years the institution has attempted to climb these stairs step by step. This climb has entailed designing new programs geared to the particular backgrounds of the students the institution serves, enriching the curricula so that students may identify with the subject matter, and employing teacher personnel who are committed to the philosophy of the Junior College and Agricultural High School, which is teaching and learning.

This stair climbing has entailed the planning and building of a new campus. Four new buildings: academic-administration; student union; cafeteria; and vocational-technical center, have just been completed, with the complete plan to include a new library, fine arts building, and perhaps a limited number of dormitories. The vocational-technical center will enable students to go directly into employment, thereby contributing to the skilled manpower pool for the State and Nation.

Utica Junior College is rapidly developing into a strong institution with a special sensitivity and a concern for the culturally different backgrounds of the students it serves.

The members of the Annual Staff have done an excellent job in reflecting the "success climb" at Utica Junior College and I congratulate them for it.

Sincerely yours,

*Walter Washington*

## EDITOR'S MESSAGE

We, the Annual Staff, acknowledge the success of another ensemble of numerous events, varied accomplishments, and treasured memories compiled in this, THE 1969 UTICANITE. It is not success that we selfishly claim; for, the student body, administration, faculty, and staff co-operated fully. To them our most hearty thanks.

We hope that THE 1969 UTICANITE will serve as a memoir as you climb your "Stairway to Success."
